Sir:

Please consider the following remarks in response to the Restriction and Election of
Species Requirement, dated March 20, 2006.

RESPONSE TO RESTRICTION AND ELECTION OF SPECIES REQUIREMENT
U.S. APPLICATION NO. 10/727,992
ATTORNEY DOCKET NO. Q78802

REMARKS

Applicant elects Group I, claims 1 to 3 and Species II, Figures 3A-3B for examination.
This election is made with traverse.

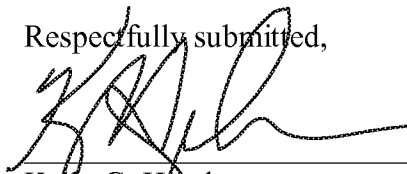

The Examiner has identified the application as containing claims directed to two distinct species. Figure 2, however, shows merely an enlarged view of figure 3 and is directed to a same embodiment. Thus, the Election of Species Requirement is not proper. All of the claims in the group correspond to both species. Applicant thus respectfully requests the Examiner to examine all these claims.

Applicant submits that if any of the elected claims are found to be allowable, claims dependent therefrom should similarly be considered allowable in the same application.

Applicant reserves the right to file a Divisional Application directed to non-elected claims 4-7.

The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account.

Respectfully submitted,
